Internship – Project Support Whole Vehicle Certification Japan (m/f/x)

Work Environment
“Consistently Audi” is the name for the strategic realignment of AUDI AG. Audi is becoming a provider of integrated, carbon-neutral premium mobility with the goal of taking the leadership role in the competition. We in the Technical Conformity Whole Vehicle department are responsible for the certification of the whole vehicle. We ensure that vehicles are developed in accordance with laws in an environment where the stringency of requirements is increasing all the time. We work in close cooperation with government authorities to interpret legal texts, define development specifications, and plan and supervise the worldwide certification of our products. We are looking for a dedicated intern for these tasks.

Job Purpose/Role
- As an intern, you will support us in vehicle certification of all AUDI AG and AUDI Sport GmbH models for the Japanese market at the Audi headquarter in Ingolstadt (Germany)
- One key focus of your work will be supporting the project planning for whole vehicle certification
- You will become familiar with the homologation process and support us in the relevant projects
- You will also develop and design guidelines for the homologation of innovative vehicle concepts
- You will maintain IT tools for project management, analyze requirements from the user environment and independently develop solutions
- Your field of activity ranges from working on the vehicle to organizing visits with the authorities

Key Requirements/Skills/Experience
- Degree in a technical or engineering field or a comparable course of study
- You possess a grasp of technical concepts and are able to analyze complex situations and develop/evaluate solutions
- You have basic knowledge of automotive engineering
- You demonstrate a structured and analytical approach to work and a high level of motivation
- Confident user of Microsoft Office applications
- Knowledge of programming and databases is an advantage
- After an introduction to the subject, you will work independently and, in addition to being a good team player, can communicate confidently in English and possibly in another foreign language (e.g. German)

Additional Information
This position is available from 01/10/2019 at AUDI AG in Ingolstadt. Applications must be submitted in electronic form via our job portal.

Just for reasons of easier readability, only the grammatical male form is used in person names. This always means people of every gender identity.
We embrace diversity, actively encourage inclusion and create an environment that fosters each employee’s individuality in the interests of the company.
